Dear St. John School Families,

As numbers of positive COVID cases continue to climb throughout the Hudson Valley, we are experiencing staffing challenges on *both* St. John School campuses due to the number of adults currently required to quarantine. We are confident all will be well, and we appreciate your prayers for their continued good health.

In light of this situation, it will be necessary to implement **fully remote, home-based instruction beginning on Monday, January 4**. We will all come back together to begin a new year of safe in-person instruction when the buildings reopen on **Monday, January 11, 2021**.

Privacy laws prevent us from providing information about the health status any individuals associated with our school. Thank you for your continued support and understanding as we navigate this health crisis by protecting the health and safety of *everyone* in our beloved school community.

Please continue to check your email for updates, and do not hesitate to reach out to the school office via email with any questions or concerns.

Yours in Catholic education,

Mr. Joseph J. De Bona
